

EXPERT'S PROFILE

Name of Grantee : JOSEFINO C. COMISO, Ph.D.
Area of Expertise : Physics
Inclusive Date of Contract as : Phase I : June 2010 (6 days)
Phase II : January-February 2011 (24 days)
BSP Awardee Short-Term Program (Non-continuous)
Host Institutions : Mariano Marcos State University (MMSU)
University of the Philippines Los Baños
Contact Details : josefino.c.comiso@nasa.gov

EDUCATIONAL BACKGROUND

Ph. D. Physics, University of California at Los Angeles, 1972
M.S. Physics, Florida State University, Tallahassee, 1966
B.S. Physics, University of the Philippines, 1962

WORK EXPERIENCE

- **1999 - Present** - **Senior Scientist**
Cryospheric Sciences Branch
National Aeronautics and Space Administration)
- **1979 - 1999** - **Physical Scientist**
NASA/GSFC
- **1977 - 1979** - **Senior Member of the Technical Staff**
CSC
- **1973 - 1977** - **Research Associate**
University of Virginia
- **1972 - 1973** - **Assistant Research Physicist**
University of California - Los Angeles
- **1963 – 1964** - **Instructor**
University of the Philippines
- **1962 - 1963** - **Scientist**
Philippine Atomic Research Center
Quezon City, Philippines

To be accomplished as BSP Awardee:

1. Train MMSU faculty on Remote Sensing and its application;
2. Strengthen the commitment of MMSU towards energy self-sufficiency;
3. Come-up with a strategic plan for Laguna Lake restoration using a single tributary and start a pilot project in a selected area; and
4. Use satellite data to identify sources of pollution and monitor progress of restoration project.
