

## EXPERT'S PROFILE

**Name of Grantee:** ANNABELLE P. VILLALOBOS, Ph.D.  
**Area of Expertise:** Biotechnology  
**Inclusive Date of Contract:** Short-Term Program  
**as BSP Awardee:** Phase 1: 04 January - 20 February 2015  
Phase 2: 04 June -19 July 2015  
**Host Institution:** Central Mindanao University (CMU)  
**Contact Number:** 094 7-575-1371  
**E-mail Address:** [annpvillalobos@gmail.com](mailto:annpvillalobos@gmail.com)

## EDUCATIONAL BACKGROUND

**Post Doctoral Fellowship**, 1990-1991, University of Pennsylvania, U.S.A  
**Ph.D. in Chemistry**, 1990, University of Cincinnati, U.S.A  
**MS Plant Biology**, University of the Philippines  
**BS Chemistry**, University of San Agustin

## WORK EXPERIENCES

2011 – present	<b>Johnson &amp; Johnson Biopharmaceuticals <i>now</i> Janssen Pharmaceuticals Research and Development</b> Consultant
2008-2010	<b>Johnson &amp; Johnson Pharmaceutical Research &amp; Development</b> Research Fellow, BIO PD & MPS
2001 – 2007	<b>GBSC (Global Biologics Supply Chain) – Johnson &amp; Johnson</b> Research Fellow, Worldwide Technical Operations
1998 – 2001	<b>Ortho Biotech – Johnson &amp; Johnson</b> Principal Scientist
1995 - 1998	<b>R. W. Johnson Pharmaceutical Research Institute</b> Senior Scientist
1993 – 1995	<b>R. W. Johnson Pharmaceutical Research Institute</b> Research Scientist
1991 – 1992	<b>Wyeth-Ayerst Research</b> Scientist
1981 – 1985	<b>Central Mindanao University</b> Assistant Professor and Head, Department of Chemistry
1976 – 1979	<b>Central Mindanao University</b> Instructor - Organic Chemistry, Analytical Chemistry and Biochemistry

**TO BE ACCOMPLISHED AS A BSP AWARDEE**

1. Conduct capability building: (1) Administrative and laboratory staff of CMU and (2) Instrument training and laboratory practices including evaluation, data acquisition, reporting and interpretation for instrument certification.
2. Mammalian tissue culture techniques Training and evaluation for certification
3. Training on Sampling Practices and Evaluation for Certification
4. Training on Preparation of Research Proposals and Technical reports
5. Link to bridge researchers in CMU with funding agencies like USAID-STRIDE, potential business partners and other collaborators.
