

# **Biodiversity and Resilience in Coral Reefs and Associated Ecosystems in Submarine Groundwater Discharge Areas (BioRe CoARE SGD)**

**Duration:** 2021 – 2024

**Host Institution:** University of the Philippines – Diliman,  
Marine Science Institute

## **Project Description**

Project 1. Distribution, Type and Fluxes of Submarine Groundwater Discharge (SGD) in Mabini, Batangas

## **Expertise Needed**

- Use of coral skeleton in paleoenvironmental reconstruction
